Shine with a Double Degree!
Master in 1 semester

Enhance your study and career options by completing a double degree with HS Heilbronn and the University of the Sunshine Coast, Australia at the same time.

USC has a special agreement with HS Heilbronn and can award you with credits for your home university studies. With those credits, you can complete a second Master degree in just one semester.

The agreement is for the following degree program:

**HHN Master of Technical Management + USC Master of Management**

If you are interested in studying a Bachelor Double Degree with USC, please contact USC International.

**USC offers you:**

- Five-star teaching quality and graduate satisfaction
- Personal attention and continuous academic support
- Applied learning — theory and application to real business scenarios
- Opportunity to achieve a very good grade point average as you will complete several assessments instead of only one final exam
- A relaxed learning environment on the beautiful Sunshine Coast with pristine beaches and National Parks, as well as a vibrant coastal lifestyle
