FAQ for mentees

Who can become a mentee?
A mentee can become any international degree-seeking student of the HHN, who wants a support in the new cultural environment at the beginning of his studies.

How can a mentor support me?
- In the beginning of the studies (How can I borrow books from the library? Where can I buy a semester ticket?)
- In improving my language skills
- In contacts with other students (also from higher semesters)
- In understanding better the new environment and the new culture
- In supporting with information for everyday matters
- In getting to know the city and the region

Which benefits do I have as a mentee?
You will get a mentor from a higher semester. You will meet approximately once a week. Your mentor will help you at your first steps at the HHN and in your new environment.

Other benefits:
- Getting to know a new culture and important contact persons at the HHN
- Active use and practice of German
- Questions and information about studies at HHN
- Information about leisure activities at the HHN and in Heilbronn
- Acquisition of ECTS (credit points) for Studium Generale under certain conditions
